**Name and description of project:**

Time for Talk - To push forward with the Time for Talk initiative. A safe supportive space in our community; a place where we can talk and listen to each other, and share our experiences.

**DECISION:**

**To provide funding of £153.64 to the above project.**

---

**Reason for decision:**

The last couple of years have been difficult for us all. They have brought many immediate challenges, and for some of us, longer term problems. It feels like a good time to talk. So we've decided to set up a safe supportive space in our community; a place where we can talk and listen to each other, and share our experiences.
